WELCOME TO THIS MONTH'S NEWSLETTER:

Well here we are at the April newsletter and starting to think about the elections of the new Executive. Please consider running as we need a proper election to ensure the running of our guild. We have been put on notice that the two co-chairs will NOT be standing again this year, so someone has to step-up and take that/those position(s)... And we have to consider participation in the Windsor Plywood Customer Appreciation Days in May, and the participation in the Art In The Park on July 1st, demo table and sales table... Demo contact is Dave Agar **(250) 573-5696** and the sales table contact is Steve Edgar **(250) 376-9568**. We need volunteers for the demo table (with some equipment), and we donations and bodies to volunteer for the sales table. 1 or 2-hour shifts should be good if you can spare the time. Please consider these items for the smooth running of the guild. Now on with the newsletter. Steve.

FUTURE MEETINGS ANNOUNCEMENTS:

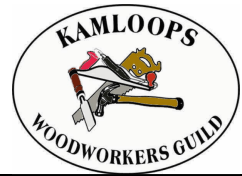

- **May meeting** will start at 120 Station Road, in Rayleigh, BC. (Map on last page); then will continue after the demo/tour. People may wish to make their own arrangements to car pool out to Ted's - Ted indicated last night that he will try to put up some signage to help people find their way out to his place - however, it is a little bit convoluted and many of the members will not have been out to Lower Heffley Creek!
No need to bring Show & Tell items as there may be no time or place to show them.
- **Executive** nominations will start at May meeting.

- **May 10 to 12th** Windsor Plywood are putting on their Customer Appreciation Days, and have asked us if we'll put on a demo day or two for them... Worked out well for us 2 years ago. We need volunteers for these(?) days... See Dave Agar to volunteer.
- **June meeting** the AGM will occur as well as final election of new executive, and the shop teacher from SaHali will give a brief talk on the work his students are doing at present.
- Some present executive members will NOT be running this year. So please consider taking a position in your Guild. Ron H and Bil G will NOT be running this year.
- **Year End Social** will be coordinated by Dave Gilmour and he is going to look into using the RMR drill hall, or Bil Gowans has volunteered his back yard again. Looks like Bil's place and is targeted for June 23 or 24th. Silent auction table? Extra tables (Steve has two).
- **July 1st -- Art In The Park;** Dave R not available this year and we need a coordinator, and Dave Agar has volunteered to take it on. List went around for volunteers. By the end of this meeting, it was determined that we had enough volunteers to go for it (Git 'er done!) **Coordinator needed for the Sales Table;** Steve has volunteered to Coord this group. List went around for volunteers, and donations to the sales table. Should be finalized by June meeting. (All donations to be delivered to Steve's place, 2241 Fleetwood Ave... Phone ahead 250-376-9568 to notify of delivery.)

SHOW & TELL:

- **Herb Kimmel** showed an apple root burl bowl a friend of his bought down east for \$7.00.

- **Dave Agar** showed a large Chinese Elm Bowl turning.... Part of some pieces he and Derry picked up (stole)...

- **Derry Appleton** a medium Chinese Elm Bowl turning and a smaller apricot bowl to show the difference just the wood makes in using the same finishing techniques.

- **Denis Biron** showed us his first and last staining attempt... Explained how he applied and sanded and then finally rubbed the stain into the wood. Beautiful finish on it.

DEMO: Jerry Olund & Ian McKenzie

- We had our demo early, to take advantage of the daylight outside on the parking lot.
- Jerry Olund introduced Ian McKenzie – chainsaw carver.
- Ian gave an informative demo-talk on the techniques he uses to carve items from blocks of wood. He had an example owl on a stump and a blank piece of wood present for his demo talk.
